## Working for our Future:

Since first being elected in 2001, Gord Lowe has worked tirelessly to champion the issues that matter to Calgarians like you – issues that shape the future of our community. Whether tackling crucial transportation challenges, working to attract new developments or protecting critical safety services, Gord Lowe is working for our future – today.

## Working for Ward 2

Gord Lowe is focused on the needs and concerns of Ward 2:

- Extended the CTrain to Crowfoot Centre, planned and funded extension of the CTrain to Rocky Ridge.
- Completing the widening of Crowchild Trail to the Stoney Trail Interchange.
- Road widening and intersection improvements along Country Hills Boulevard and Shaganappi Trail.
- Ensuring major transportation routes are built and improved in sync with development in Symons Valley.
- Opened Inland Athletic Park, providing new playing fields in North West Calgary – working with the Province to secure land for the North West Recreation Facility proposed for Country Hills Boulevard and 114 Street N. W.
- Attracting and supporting industrial, commercial and retail development in Ward 2 including the Beacon Hill Shopping Centre, the Spy Hill Business Park and Royal Vista Business Park.

- Redirecting heavy trucks to Stoney Trail and dealing with noise issues from communities bordering Stoney Trail.
- Encouraging the Province to complete the interchange at Shaganappi Trail and Stoney Trail.

As your Alderman, Gord Lowe will continue to work on what matters most to Ward 2:

- Maintain close contact with Community and Resident Associations to ensure Ward 2 residents receive the services they are entitled to.
- Ensure Ward 2 residents feel safe in their communities, on the CTrain and wherever they go in Calgary.
- Extend the CTrain to Royal Oak/Rocky Ridge.
- Improve community shuttle service to CTrain and Bus Rapid Transit stations.
- Manage traffic and noise issues
- Improve employment and recreation opportunities in Ward 2.

## Working for Calgary

Continuing as Alderman, Gord Lowe will focus on issues which matter to Ward 2, and the entire City:

- Improved Police, Fire and Bylaw Services. Safety comes first!
- Transportation and Transit – a major priority City-wide.
- The environment – extending the curbside recycling program to multi family residences, implementing improved cost effective residential garbage collection and developing a residential organics collection and disposal system.
- Work to build a major recreation facility in North West Calgary.
- Continue the expansion of affordable and attainable housing in Calgary
- Improve and expand City amenities – the Calgary Public Library, Calgary Zoo, Heritage Park, the Calgary Science Centre and Creative Kids Museum, Fort Calgary, Aero Space Museum
- Support the Calgary Regional Partnership and the Calgary Metropolitan Plan.
